

Dear Students,

This is to inform you that from the **next exam onward i.e., from 23rd July 2021, you must give the exam only on the web browser of Laptop/Desktop (chrome) or Mobile browser (chrome).**

If anyone still gives the exam from **app**, his/her attempt will not be considered & the result of that student will be withheld.

The steps to give the test from browser is mentioned below:

Go to [placement.myperfectice.com](https://placement.myperfectice.com)

--> **Click on Login**

--> **Enter your user Id which is your Registration number & Password as saved by you**

--> **Go to the test section**

--> **Click on the test name**

--> **Allow the Camera Permission**

--> **Click on the Take Test Button**

--> **Check the box of "I have read the Instructions"**

--> **Click on I am ready to start button**

Also, it has been found during the proctoring that some students were indulged in various kind of suspicious activities like talking over the phone, talking to someone else, doing cheating from book & gadgets, & some were in poor lighting condition. All such students have been marked suspicious & their result might not be released. Also, all such students must avoid such things from the next exam onward else their result will also be withheld.

Thank You
