

ABOUT THE INSTITUTE

Jharkhand University of Technology (JUT), Ranchi, is the apex technical university of the state, affiliating 64 technical colleges in the state of Jharkhand. The JUT has developed industry-ready course curriculums and ordinances for its PhD, MTech, BTech, MCA, MBA, Pharmacy, HMCT, and Architecture Programmes in accordance with the UGC/AICTE/PCH/COA guidelines. These curricula are oriented towards the NEP 2020.

The university provides a great platform, in particular to, the female students and the students belonging to the socially and financially deprived sections of the society to fulfil their higher learning aspirations. The university has an excellent infrastructure, dedicated faculty members, ambient green environment and well-structured education programmes.

AGENDA OF THE PROGRAMME
