MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the ..... day of Oct 2021.

BETWEEN

1st party

JHARKHAND UNIVERSITY OF TECHNOLOGY, RANCHI hereinafter referred to as "**JUT, Ranchi**", the University which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns).

AND

2nd party

CIPET: Center for Skilling and Technical Support (CSTS), Ranchi hereinafter referred as "**CIPET: CSTS",** the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors – in-office, administrators and assigns.

WHEREAS:

A) CIPET: CSTS - Ranchi was established in the year 2017 to cater the needs of plastics and allied industries in Jharkhand and other adjoining areas. The institute is situated in the holistic land of Bhagwan Birsa Munda at Ranchi and spread over sprawling area of having 13.00 acres Administrative buildings, hostel, Workshops and adequate green landscape for extracurricular activities and equipped with the state of the art facilities in Design, CAD/CAM/CAE, Tooling, Plastic Processing, Testing, Quality Control & Inspection services in order to meet the customer requirements of Plastics & allied industries. The facilities of the centre have been modernized through joint support of Govt. of India and Govt. of Jharkhand. The institute is well equipped with audio visual facilities and computers with advanced CAD software. CIPET: CSTS - Ranchi will specially focus to provide employment oriented academic programs and skill development training programs for the unemployed / underemployed / underprivileged youths of Jharkhand state. Also to provide technical support services to the plastics and allied industries and their growth in the state of Jharkhand.

B) Jharkhand University of Technology (JUT), Ranchi has been established by the Jharkhand University of Technology, ACT, 2011 (Jharkhand ACT 18, 2015), published vide gazette No.-815 dated 08/12/2015. JUT located at Jharkhand University of Technology Campus, Sirkhatoli, Namkum, Ranchi, Jharkhand-834010. The whole of Jharkhand shall be the territorial jurisdiction under the JUT, Ranchi. JUT is intended to promote the creation of a Centre of Excellence in education and research in science, Technology, Engineering and Management,

Town Planning, Pharmacy, Applied Arts and Crafts, Applied Science and such other programmes or areas as the central Government may in consultation with the All India Council for Technical Education by notification in the Gazette declare and need of Jharkhand.

Objectives of the MOU:

Both the organizations will provide necessary support and resources for undertaking collaborative academic activities in technical and engineering education by way of providing technical expertise and infrastructural facilities including accommodation and other facility for mutual benefit.

This Memorandum of Understanding (MOU) serves an agreement between both parties to cooperate in the following areas:

1. Exploring the potential for joint activities in Training and Research in Technical Education and Management.
2. Identifying opportunities for faculty & supporting technical staff members in customized training programs (both in content and pedagogy) arrangements on a need basis.
3. Identifying opportunities for sharing of human resources and other resources for conducting training and research activities for mutual benefit.

The collaborative activities will be initiated and fostered in the following areas:

- Training of faculty and support technical staff of affiliated Polytechnics and Engineering Colleges located in the State of Jharkhand and affiliated to the Jharkhand University of Technology, Ranchi.
- There is no financial commitment on the part of both the parties CIPET: CSTS and Jharkhand University of Technology to take up any programme mentioned in this MOU. If there is any financial consideration, it will be dealt separately.
- Development and revision of curriculum for the polytechnics and colleges of the State of Jharkhand affiliated to the JUT.
- Development of an Incubation center and support for entrepreneurial and start-up activities, especially for technical students.
- Promotion of possible improvement of the Traditional Knowledge System through the evaluation of its scientific and engineering.
- Popularizing Value Education and Professional Ethics.
- Exchange of faculty members.
- Jointly organizing conferences, seminars, workshops and faculty development programs.
- Development of technical books in Hindi and other Indian languages.

Agreed Strategies:

The parties will cooperate, map, and implement mutually beneficial activities and programs, which may include:

1. Organizing joint seminars, workshops, symposia, and/or conferences and ground survey through different physical and online platforms in areas of technology and management.
2. Other innovative educational and training activities including teaching of theory and laboratory courses using digital and multimedia tools.

Agreed Parameters:

1. This document sets out an understanding that has been reached and as such is not intended to be legally enforceable.
2. Each party acknowledges that the other remains independent and that this understanding confers no rights unless by express agreement, and that each have both internal and external limits on the extent and nature of cooperation permitted between the parties.
3. The parties recognize that they are separate organizations and subject to different accountabilities and organizational guidelines.
4. This understanding will be valid for five years from the date of signing; the duration may be extended by the parties prior to that date or terminated through an appropriate action of both the parties.

AGREED:
